

Currently SAND CREEK COMMUNICATIONS COMPANY in the interest of protecting our customers as well as our employees, have been forced to close our lobby to walk in traffic. You may make your payment in the drop box, online, by phone, etc. We continue to maintain our services during this difficult period. We cannot enter homes and properties during this period which prevents us temporarily from installing new services and our fiber optics. In case of emergency and at the discretion of our employees, we will come into a home or property. We all hope for this to be a short time frame and we want everyone to come out of this healthy and safe.

Please contact our help desk with any Internet or TV issues, 24 hours/7 days a week.
